DE-REGISTERING

A POV

Junking

American & German Specification POVs

1. White copy of the 190-1A stamped by the company receiving your vehicle. On the reversed side of the document, the recipient will put his/her name, address, German passport ID #, date and signature.
2. Turn in both plates or if the plates were lost/stolen provide us with the alarm number from the Provost Marshal's Office.
3. AE Form 2074, issued from MP Customs, Bldg #3 and stamped by the German Customs.
5. Lien release or title. (If applicable)

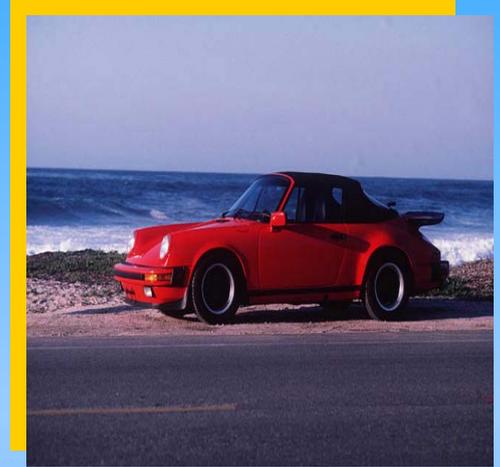

** If you have a newer modeled German specification vehicle and you dispose of it at a German company, customs documentation may be required, inquire within.

Note: If you dispose your American Spec Vehicle at DRMO property disposal, you do not need the AE Form 2074.

REGISTERING AN INBOUND POV

1. The vehicle must have arrived to its destination point.
2. One completed 190-1AA application form.
3. \$15.00 (USAREUR Tags) or \$20.00 (EURO Tags) check or money order.
4. Double White Insurance Cards.
5. Shipping Documents.
6. Stateside registration or title.
